A small suburban town, present day

Director's Note:

"Of course we all come to the theatre with baggage. The baggage of our daily lives, the baggage of our problems, the baggage of our tragedies, the baggage of being tired. It doesn't matter what age you are. But if our hearts get opened and released well that is what theatre can do, and does sometimes, and everyone is thankful when that happens."

-Vanessa Redgrave

The show runs approximately 90 minutes.

This is a Level III student project, focusing on beginning to think conceptually about plays as well as about interactions between actors. Directors may use the Classic Studio kit and other elements.
